Denali National Park 4-Day Adventure

Starting Location: Whittier, Seward or Anchorage

Destinations: Anchorage and Denali National Park

Activity Level: Easy to Moderate

Length: 4 days

Trip Summary: This a terrific land package for those that have limited time in Alaska. The tour begins from either Whittier, Seward, or Anchorage and allows travelers to see the highest point in North America up-close and personal on a flightseeing tour, through meeting last year's Iditarod Champions at Jeff King's kennels, and topped off with incredible and unique accommodations throughout.

Trip Details:

Day 1: Arrive in Anchorage, Seward or Whittier. You will have private transportation from your arrival point to your luxurious downtown hotel in Anchorage. After settling into your hotel your guide will take you on a walking tour of downtown and then take you to a local restaurant for some local cuisine and some cultural nightlife.

Day 2: After breakfast at the hotel you will join your guide and begin your scenic drive to Denali National Park through the mountains and across the Alaskan tundra. In Denali you will board a small bush plane and enjoy a flight on the shoulder of Denali (Mt. McKinley) where you will have a birds eye view of the highest point in North America. Your plane will land in the small town of Kantishna in the center of the park. You will stay the night in the park where you can enjoy the scenery, wildlife, or take a short hike onto one of the local ridgelines for a better view of this breathtaking area.

Day 3: A relaxed morning will allow more time for hiking and exploring and then you will board a park shuttle and take the scenic drive to the park entrance near Healy. Your drive will take you through wildlife country where you may see Grizzly Bears, Wolves, Dall Sheep, Moose and Caribou. After arrival at the Park boundary we will drive to your deluxe lodging to settle in for the afternoon. You will be able to explore the surrounding area, drive on Stampede Road (featured in the movie "Into the Wild"), or just relax. In the evening we will attend an old-fashioned dinner show with fresh Salmon on the menu.

Day 4: In the morning you will have more time to relax at your lodge and then we will visit Jeff King's Dog Kennels where you will be able to meet and see the famous Iditarod Sled dog race winners and possibly even Jeff King himself. After the tour we will return to Anchorage where you can either board your cruise ship or catch a return flight home.
